

JARMAN HOMES, INC. of Clayton NC Awarded Best Of Houzz 2021

Coveted annual award highlights home remodeling and design professionals with top ratings and most popular designs among the Houzz community

January 27, 2021 – Jarman Homes, Inc. of Clayton NC has won TWO “Best Of Houzz” awards for **Design and Service** for 2021 on [Houzz](https://www.houzz.com)®, the leading platform for home renovation and design. Jarman Homes is a husband and wife team that combine their talents focusing on design and function in their custom homes for over 20 years.

The Best Of Houzz badge is awarded annually, in three categories: Design, Customer Service and Photography. Design awards honor professionals whose work was the most popular among the Houzz community. Customer Service honors are based on several factors, including a pro's overall rating on Houzz and client reviews submitted in 2020. Architecture and interior design photographers whose images were most popular are recognized with the Photography award.

A “Best Of Houzz 2021” badge will appear on winners’ profiles as a sign of their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

“We are proud to be awarded not only one but TWO Houzz awards this year. Over the years we are thankful to have been honored with Design or Service awards, but this is our first year winning both in the same year. “We are humbled to be recognized by Houzz and it’s users for our Design and Service achievements”, says Joy Jarman, co-owner of Jarman Homes. “Neil and I wear many hats being a small custom builder, but it feels good to have others recognize our focus on hard work, attention to details, and building relationships that has helped keep us strong for over 20 years now.”

“The Best Of Houzz awards are an emblem of trust and credibility for home professionals across the U.S. and around the world, and we are excited to celebrate this year’s winners,” said Liza Hausman, vice president of Industry Marketing for Houzz. “The COVID-19 pandemic has highlighted the critical need for people to feel comfortable before inviting pros into and around their homes, and the Best Of Houzz badge is a powerful way for pros to communicate the trust that homeowners have in their business. It’s just one of many tools on the Houzz platform that help pros to communicate their unique expertise, and homeowners to find the right professionals for their projects.”
